

# COMMUNITY ANNOUNCEMENT

**AQAM**  
LANDS

Forestry operations for the wildfire salvage and restoration project will start within the next week. Crews are anticipated to start in Block 1 and Block 5. Please be aware that heavy equipment will be working in the identified areas. Signage and radio channel information will be in place to and from the identified work sites. The Lands team will keep the Community updated on where equipment will be as the project progresses.

For any questions or concerns, please reach out to **WILL KAUFMAN** at: (236) 703-9542, or email [wkaufman@aqam.net](mailto:wkaufman@aqam.net).
