RE: Access to Kootenay IR 1 for purpose of conducting pre-goat grazing monitoring from August 12<sup>th</sup>-16<sup>th</sup>, 2024;

Dear Danny Smart,  
Kefer Ecological Services is granted access to ʔaqam lands forming Kootenay IR 1 for the purposes of conducting post-goat grazing monitoring from August 12<sup>th</sup>- 16<sup>th</sup>, 2024 near Adrian Lake and Long Prairie.

Should you have any questions or concerns, please contact me.

Sincerely,

Skylar Nikkel  
*Lands & Resources Project Coordinator*
