RE: Access to Kootenay IR 1 for the purpose of looking at wetland tree thinning areas at five wetlands on January 23, 2025

Dear Nick,

Baumanis Timber Contracting is granted access to ʔaqam lands forming Kootenay IR 1 for the purposes of looking at the areas for wetland tree thinning at Francis Lake, Long Lake, Unnamed Wetland, Airport Wetland, and Stink Lake to assist with submitting a quote for the Wetland Tree Thinning RFQ on January 23, 2025.

Should you have any questions or concerns, please contact me.

Sincerely,

Skylar Nikkel
Lands & Resources Project Coordinator
