ʔaʒam Lands and Natural Resources Department

“ʔaʒam Lands and Natural Resources Department together with Kiʔtik ka-kin Lands and Resources tipi pole holder, Corrie Walkley are planning to start Tipi pole gatherings to share information and build connections within the community.

We will be hosting a Lands and Natural Resources Gathering on Thursday December 7<sup>th</sup>, 5:00pm to 7:30pm and hope that you will attend. This first gathering will be an informal meet and greet with dinner provided.

We are hoping to hold quarterly Lands and Resources Gatherings going forward as a way to share information on Lands and Natural Resource Department projects and create a platform for community members to provide input and feedback on opportunities and ideas people have for ʔaʒam lands and the broader Ktunaxa Amakis.”

Please join us on December 7<sup>th</sup> at the Dan Joe Gymnasium!

Did You Know?

Double Strength Cleaning Vinegar works very well for cleaning and appliance maintenance.

Running a cycle with vinegar helps to remove lime scale build up in

- Kettles
- Coffee makers
- Dishwashers
- Washing Machines
- Drains

Be sure to rinse well if using it in your coffeemaker!

When water flow slows down in toilets and other appliances a vinegar soak can help remove build up. Try this before calling the plumber and save your self money!

# Indigenous Pre-Cadet Training Program

Throughout the COVID-19 pandemic, our paramount concern has been for the health and safety of our IPTP Candidates and those attending the academy as we continue to implement best practices in collaboration with provincial and federal health authorities.

The Indigenous Pre-Cadet Training Program (IPTP) offers Canadian Indigenous people, between the ages of 19 and 29, an opportunity to experience a modified three-week Depot training experience within the RCMP at the RCMP Training Academy in Regina, Saskatchewan.

"It gives Indigenous youth the opportunity to experience a training session and a first-hand view of what a possible career in police work could entail," says Cpl. Maureen Greyeyes-Brant, who was a graduate of the program and is now the National Coordinator.

Dates: TBA
