

January 4, 2021

Welcome to 2021! We hope that your holidays were spent with family and smiles...and of course in a COVID safe manner.

Our staff are back to work, although many are still working from home. Please remember, even though they are working from home, you are encouraged to call or email them if you have a need. The receptionist will be able to direct your calls accordingly.

We made the decision prior to the Christmas Break to extend the return to school for the kids to January 11<sup>th</sup>. Although we all try to be cautious, the reasoning behind this was to give time for any possible COVID outbreaks show themselves. Teachers are in-house with instructions to prepare for the kids to return and as well, to solidify their back up plan for online learning in the event that outbreaks become abundant. If you or your child is in need of supports during this chaotic time, you can still reach out to their teachers for help. We are all here to help.
