Open Letter to the ?aqam Community

To: ?aqam Community Members
From: ?aqam Chief Administrative Officer
Date: May 19, 2023
Subject: ?aqam Administration- Door Unlocking May 23, 2023

It is with great admiration to be of service the ?aqam community. As part of our work duties, our staff seeks to embrace ?a-kxaᓃis ?akikᓪuᑕnam, Spirit of Community. In doing so, we honor the rich history of ?aqamnᓯik that directs us to have healthy relationships with one another while at the same time, deliver our programs & services. With the support of ?aqam Elders, Nasuᑕkin and Council, and ?aqam Community members, I am pleased to announce the following:

Hours of Service.
The ?aqam Administration, Language and Culture Center and Health Building front doors will be unlocked Monday to Friday from 08:30 AM -Noon, closed from Noon – 1:00 PM and open from 01:00 PM-04:30 PM. The offices are closed on weekends and holidays.

Appointments.
To maximize our staff's efficiency, please attempt to make appointments with ?aqam staff members at 250-426-5717. If you need to email us, our staff directory can be found at <https://www.aqam.net/contact>.

A Healthy and Respectful Workplace at ?aqam
Nasuᑕkin and Council support the ?aqam administration to be a harassment free workplace. As part of ?aqam administration workplace safety & OHS procedures/policies, incidents that involve violence, bullying or harassment to ?aqam staff must be documented and reported. Incidents that threaten an individual's health, safety and security must be reported to the CAO and if necessary, the RCMP. Unfortunately, individuals who commit acts of violence, bullying or harassment towards ?aqam staff may be asked to leave the premises and face being banned from the ?aqam administration.

I welcome your feedback, ideas and approaches to serving the ?aqam Community. Should you have any comments, questions, or concerns, please contact me in confidence. I can be reached at the main administration office in person, my direct number 236-302-1621 or via email at: mfrank@aqam.net

Kind regards,

Mike Frank
