Community Information and Upcoming Events

Kiʔsuk Kyukyit,

I have recently accepted the position as the Executive Assistant for the Aqam administration. I haven't been employed with the Band since I was a summer student so I look forward to working for the Council and the Community. My previous employment does include working as an EA for Teck and Yaqit ʔa·knuqhiʔit, so I do have the experience, knowledge, and skills that will attribute to my role.

I have spent a majority of time in Cranbrook, along with my 2 kids. I do know a majority of the members who reside within the Cranbrook area. If you are living off reserve and out of the Kootenay area feel free to reach out to me so I can introduce myself.

Please bear with me as I familiarize myself with the administration, staff, and community needs for my role. It has been a few years since I worked as an EA (previously, I was working in a different role for the Nation).

Feel free to call me at the administration building during regular business hours at 250-426-5717 ext. 3583.

Taxa,
Anna Morigeau

Kiʔsuʔk Kyukyit

My name is Jenny (Jennifer) Damstrom and I am the new Community Nurse, LPN.

I am a member of the Oneida Nation of the Thames, turtle clan. I grew up in Kitimat, BC and lived in Terrace until 2015. I am married to Scott and we have 3 boys (24, 22 and 18) My husband and our 3 boys relocated to Cranbrook in 2015 when I took a job with the College of the Rockies. I am familiar with this lovely area as my husband grew up in Jaffray.

I love watching hockey, the outdoors and spending time with my family.

I am excited and honoured to be working in ʔAqam. Feel free to contact me with any questions, concerns, or any hockey talk!

Stay safe and healthy,
Jenny

COMMUNITY ENGAGEMENT SESSION – LEGACY ISSUES

Wednesday, November 17th from 6-8:00 PM MDT, via Zoom. Register and participate for your chance to win some prizes! Contact Reem Saraya at RSaraya@aqam.net or 250-426-5717.

This will be the second of three Community Engagement Sessions that will be used to guide our development of a new Dispute Resolution Policy for the community. We will be doing an inventory of land/estate issues and will require your input!

Happy Birthday to everyone in the month of November!!!

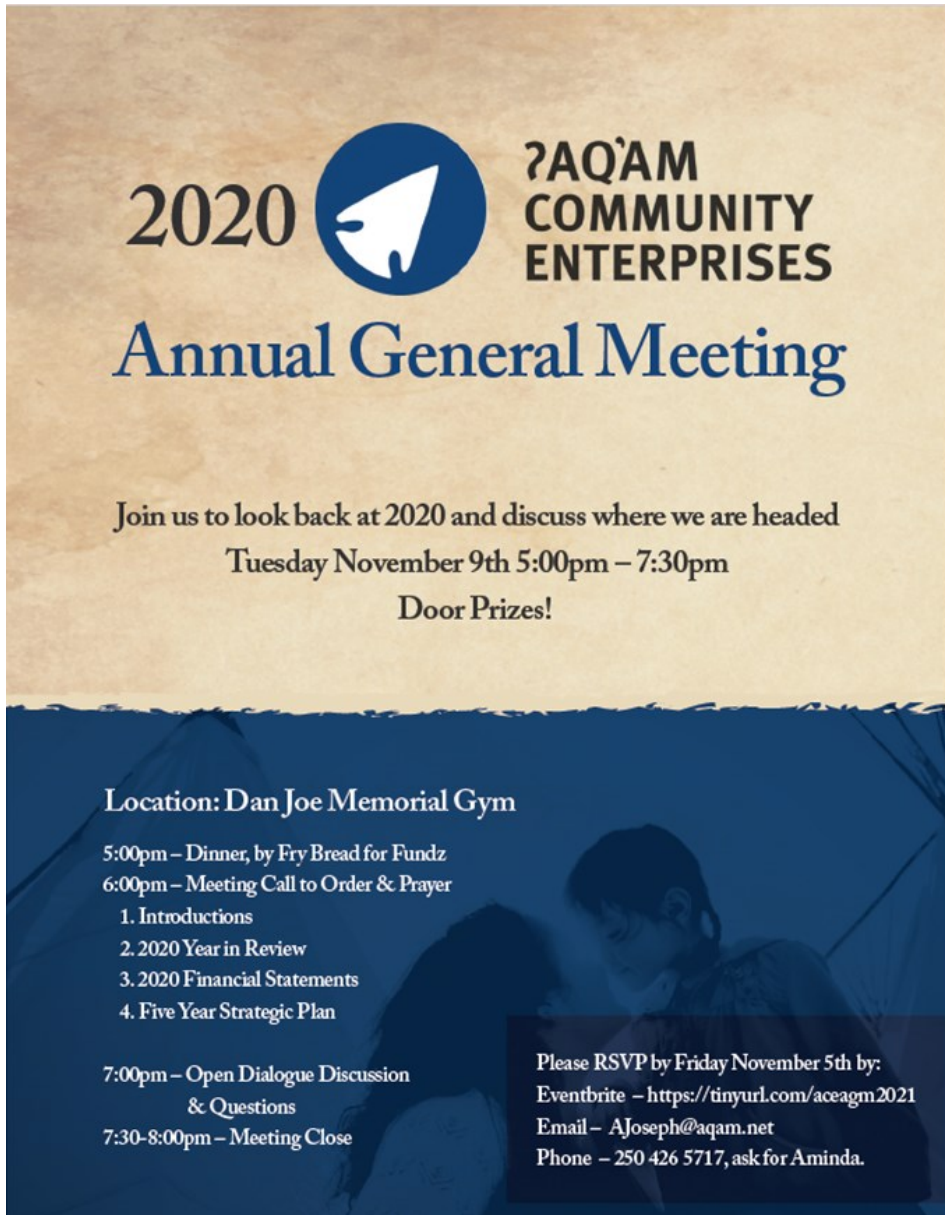

Foot Clinic!!

The foot clinic will be happening, November 16th, 17th, 18th.

Please contact Kristen Queen at (250)-426-5717 Ext 9593

Eventbrite – <https://tinyurl.com/aceagm2021>
Email – AJoseph@aqam.net
Phone – 250 426 5717, ask for Aminda.

Community Connectivity

Please watch this video then review the Q&A.

<https://ktunaxahakqiyit.org/economic-investment-sector/widgets/84145/videos/8092>

Q: What is Community Connectivity?

A: This is a Ktunaxa Nation Council initiative that has been in the making for over 20yrs - **FREE internet for all Ktunaxa Citizens.**

Q: There is no such thing as free, what do we have to pay?

A: All Ktunaxa citizens and Band offices have the option of having FREE internet provided by the Ktunaxa Nation Council (Economic and Investment Sector). The KNC can purchase bulk Nation pricing/wholesale internet from CBT and supply all communities (via FlexiNet) with **FREE internet at no cost to you!**

Q: When can we have this FREE internet?

A: We will be organizing a system to record everyone that wants to be part of this amazing initiative. Once we have total numbers we can figure out a roll out plan for each community. Early 2022 is definitely possible.

Q: I want FREE internet what do I do next.

A: Review who supplies your internet currently, you may be in a contract for a period of time. You might not be able to have FREE internet until that ends, but we can double check. Your local Band office will have a form for you to fill out with a few questions, name, address, who supplies your current internet, contract date expiry etc.

Q: I don't live on reserve, I live off reserve do I get FREE internet as well?

A: Phase 1 will be to connect all Ktunaxa Citizens on reserve and Band offices with FREE internet (if they want it), then Phase 2 we will examine how to support the Ktunaxa Citizens living off reserve.

Q: Who will be supplying the internet?

A: FlexiNet will be supplying the internet with the purchase of 'wholesale internet' from CBT.

Q: Will the speeds be faster than what I have now? Because my internet is poor!

A: For most, if not all homes in the communities – Yes! To homes we will be able to provide 50mb download speeds which is fast enough for multiple devices to stream games and Netflix all at the same time!

Any other questions you might have, please email shane.stewart@ktunaxa.org.
