RE: Access to Kootenay IR 1 for purpose of establishing plots for vegetation monitoring from June 29<sup>th</sup> – July 1<sup>st</sup>, 2024;

Dear Hilary,  
Tannas Conservation Services is granted access to ʔaqam lands forming Kootenay IR 1 for the purposes of creating plots and plant inventories at 6 wetland sites: Unnamed Wetland, Stink Lake, Francis Lake, Airport Wetland, Twin Lakes and Long Lake from June 29<sup>th</sup> – July 1<sup>st</sup>, 2024.

As a condition of access, please ensure to follow your company's safety procedures as these areas have hazards such as downed logs, danger trees, and unstable ground.

Should you have any questions or concerns, please contact me.

Sincerely,

Skylar Nikkel  
*Lands & Resources Project Coordinator*
