Ki?suk kyukyit kúsmukusaŋ ǝxamaŋiŋ ǝ ki?suk kyukyit kukun makut ?aŋam Community!

Another year has passed since I was able to visit your community. I know that it was another challenging and difficult year continuing to live through the Pandemic. I congratulate each of you for doing your best to continue to work together, be kind to one another and support each other. Although I am saddened that we cannot meet in person to share Christmas Dinner don't fret, I have been working with local elves to ensure that we spread Christmas Cheer to the community.

I hear the elves are busy making preparations and plans for a bunch of Christmas fun throughout December and I have planned a visit to your community on **Friday December 17th, 2021**. The reindeer are resting up for Christmas Eve so I will be hoping aboard your school bus with my elves to deliver goodies and presents to all those boys and girls that have signed up.

The Elves will release a detailed parade schedule closer to the date! I Can't wait to see all of your faces while I visit your community.
