

Message to our community

July 5, 2023

To all members of our community,

We are deeply saddened by the tragic event that took place in our community over the weekend, and we send our condolences to the families who have lost their loved one, Anna Mae Morigeau

We are working to increase mental health support for community members. For those needing support you may contact ʔaqam Health and Wellness at 778-761-0920. For after-hours assistance, call 250-919-6500.

Here's what we are able share about what happened:

On July 2, 2023, the RCMP was called to a vehicle accident at Mission / Wasa Low Road. Upon investigation, a death was confirmed. The cause of death has not been determined, and there is an ongoing investigation into the incident. This investigation is in the early stages, so you may see additional police presence in our community.

ʔaqam Nasuʔkin, council and community members have met, and we understand this is very emotional, and that some community members may be feeling unsafe.

We are all grieving.

To honour Anna Mae's life, and to support the grieving families, it is critical that if anyone has pertinent information about the incident that they please share that information with the RCMP. This will help the investigators learn the truth.

Please call the RCMP Tip Line at any time day or night: 1-877-987-8477.

You can also call the lead RCMP investigator, Cst. Kirsten Crombie, at 604-317-1473. Cst. Crombie can arrange an in-person meeting that is private and confidential to give your statement.

Sincerely,

ʔaqam Nasuʔkin and Council and community members
